Suggested Text for Clarifying the Interpreter's Role to the Jury

6.6A Proceedings interpreting

This court seeks a fair trial for all regardless of the language they speak and regardless of how well they may or may not speak English. Bias against or for persons who have little or no proficiency in English because they do not speak English is not allowed. Therefore, do not allow the fact that the party requires an interpreter to influence you in any way.

6.6B Witness interpreting

Treat the interpretation of the witness's testimony as if the witness had spoken English and no interpreter were present. Do not allow the fact that testimony is given in a language other than English to affect your view of [her] credibility.

If any of you understand the language of the witness, disregard completely what the witness says in [her] language. Consider as evidence only what is provided by the interpreter in English. Even if you think an interpreter has made a mistake, you must ignore it completely and make your deliberations on the basis of the official interpretation.
