The North Carolina Administrative Office of the Courts (NCAOC) Human Resources (HR) Division provides professional services and programs to all Judicial Branch hiring authorities, officials, and employees. Our mission is to develop and manage programs and services that are effective and compliant with laws and regulations. We also control costs to attract, retain, and motivate a talented workforce. Programs and services include recruitment; personnel administration; organizational management; leave administration; benefits; policy development; safety, health, and wellness; employee recognition; and performance management.

We proudly serve the Judicial Branch’s most valuable asset – its employees. Each day, we conduct employment transactions and provide information, advice, support, and solutions to those we assist. Tasks that we perform to this end include:

- Providing tools and services to advance efficient management of court resources
- Transacting new hire, promotion, reclassification, salary adjustment, separation, and other personnel actions
- Providing guidance, advice, and solutions on human resources issues
- Monitoring compliance with federal and state employment laws and regulations
- Providing assistance to users of BEACON (HR and payroll system), NEOGov (recruiting system), NCVIP (performance management system), and online employee orientation
- Helping employees understand and maximize their benefits
- Advocating safety, health, and wellness in the workplace
- Monitoring HR metrics, such as turnover, employee demographics, length of service, and retirement eligibility, to improve the quality of our workforce
- Providing employee recognition programs
- Generating personnel reports and information
- Implementing innovative programs and services such as an online performance management system and e-learning modules
- Identifying and encouraging human resources best practices
- Costing and evaluating effectiveness of programs and services
- Providing timely communications through newsletters and web content
