TO: Attorneys with Civil Cases in the Superior Court Division, Judicial District 25A

FROM: Beverly T. Beal, Senior Resident Superior Court Judge, Judicial District 25A

SUBJECT: Caldwell County Superior Civil Calendars for January 18, 2010, March 8, 2010 and, April 26, 2010

The attached is a Civil Administrative Scheduling Session calendar. At the time and date indicated on the calendar, at the Caldwell County Courthouse, Lenoir, NC, a pre-trial conference will be held to review the status of the cases listed. All pending motions will be calendared. Discovery orders will be entered.

All attorneys should bring their personal calendar of commitments to the conference. Attorneys shall make prior inquiry of their clients and key witnesses (including medical witnesses) so that the cases can be calendared at a time which will not conflict with appellate courts, vacations, or other conflicts.

Cases calendared for trial will not be continued because of the unavailability of witnesses if prior inquiry has not been made.

Approximately twelve (12) cases will be calendared for trial at each of the sessions of court.

About four (4) weeks prior to each session, the Trial Court Coordinator will publish the final trial calendar by electronic mail. All motions and trial cases not disposed of prior to the publication of the final trial calendar will be included, together with any other appropriate cases calendared by the Trial Court Coordinator, and other cases required by statute to be calendared.

Attorneys of record will deal directly with Virginia Robinson, Trial Court Coordinator, PO Box 796, Morganton, NC 28680; telephone (828) 432-2826; FAX (828) 433-4035.

Your cooperation is essential to the proper functioning of our court system and we want to work with you and make your job as easy and convenient as possible; and likewise, we expect you to respond by being punctual and prepared at the scheduled time.

**NORTH CAROLINA
SUPERIOR COURT JUDICIAL DISTRICT 25A**

**ORDER
Civil Case Management Plan**

Pursuant to the provisions of Rule 2 of the General Rules of Practice for the Superior Court, IT IS ORDERED that the following local rules are adopted for Judicial District 25A, effective September 1, 2003. The following references apply: "TCC": Trial Court Coordinator; "N.C.R.C.P.": North Carolina Rules of Civil Procedure; "Rules of Practice": General Rules Of Practice For The Superior And District Courts.

1. Ready Calendar.

The Trial Court Coordinator in Judicial District 25A shall maintain a Ready Calendar of civil cases pending in each county. Five months after the filing of a complaint, the TCC shall place each case on the Ready Calendar, unless the time is extended for good cause by written order of the Senior Resident Judge.

2. Administrative Scheduling Sessions.

At designated times, the Senior Resident Judge will conduct an Administrative Scheduling Session for each case pending on the Ready Calendar, and will, in cooperation with the Bar of each county, assign the case to a specific session of the Court. Upon notification to appear for the Administrative Scheduling Session, an attorney must, consistent with ethical requirements, appear at the Administrative Scheduling Session, or have present a partner, associate or another attorney familiar with the case, unless excused in advanced with prior notice to the opponent.

3. Certificate of Readiness.

In addition to the maintenance of the Ready Calendar, an attorney for a party may file a certificate of readiness at any time requesting that the case be placed on the trial calendar.

4. Peremptory Settings.

A request for peremptory setting for cases involving extraordinary reasons must be made in writing to the Senior Resident Judge.

5. Re-scheduling Cases Not Reached.

Cases scheduled for trial not reached at a session shall be re-scheduled as additional cases for trial at another regularly scheduled session before the Administrative Scheduling Session if feasible considering the availability of counsel, parties and witnesses. Re-scheduled cases have no priority over scheduled cases. For good cause shown, the TCC may remove a case from re-scheduling. When an Administrative Scheduling Session occurs before the next trial session, cases not reached at a prior session shall be re-scheduled at the Administrative Scheduling Session.

If a case is scheduled for trial, but attorneys announce that it is settled prior to the session or at the opening of the session, and no voluntary dismissal nor memorandum of judgment is filed during the session in which it is set, then the case will appear on the calendar of the next trial session of court after sixty (60) days, or the next administrative session, whichever occurs first.

If the case has not been dismissed by that time, the case shall be considered for trial, or, in the discretion of the Court, the presiding judge or the Senior Resident Superior Court Judge may take such other administrative action as appears appropriate to give the case prompt disposition, including dismissal pursuant to Rule 41.

6. Motions Practice.

Movant's counsel shall notify the TCC of desired dates for hearing motions. Pending motions shall be scheduled for hearing by the TCC in the order of receipt of notification. Notice of hearing shall be filed and served as provided in Rule 6 (d) of the N.C.R.C.P. The number of motions scheduled for a session shall be based on the nature of the motions filed, the anticipated time required for hearings, and the time available for hearing of motions at each particular session.

Pending pre-trial motions may be scheduled at the administrative scheduling session. Counsel who intend to file pre-trial motions in cases being scheduled for trial shall inform the Court at the administrative scheduling session.

A copy of any briefs or memoranda in support or opposition of pre-trial motions shall be delivered to the Hearing Judge at least five days before the hearing of the motion. For the purpose of this five-day requirement only, service shall mean personal delivery, facsimile transmission, or other means such that the Hearing Judge actually receives the brief or memoranda within the required time. A Hearing Judge shall not be obliged to consider briefs or memoranda not received as required by this Rule.

7. Preliminary Injunction Hearings

The evidence in a preliminary injunction hearing shall be presented in the form of affidavits in support of or in opposition to the injunction. The presentation of testimony from witnesses will be received only in exceptional circumstances, or when the party offering the witnesses' testimony has been unable to obtain an affidavit from the witnesses in advance of the hearing.

8. Motions for Summary Judgment.

Motions for Summary Judgment must be scheduled and heard prior to the week of trial.

9. Settlement Notification.

Upon the settlement of a case on the printed trial calendar, attorneys of record must notify the TCC within twenty-four (24) hours of the settlement and advise who will prepare and present a judgment or dismissal, and do so immediately.

10. Continuances.

Upon the calendaring of a case on the final trial calendar, such case will not be continued except for compelling reasons addressed to the Senior Resident Judge before the session, or the Presiding Judge during the session.

11. Will Caveats.

Cases involving caveats to Wills shall be ordered into the mediation process within 60 days of filing, and will not be placed on a trial calendar until a mediated settlement conference is conducted or the matter has been removed from mediation by order of the Court. It shall be the responsibility of the attorney for the Caveator(s) to notify the TCC of the filing of the case and the names and addresses of all parties or attorneys to whom notices should be sent.

12. Mediation Management.

The TCC is assigned the responsibility of managing and enforcing the mediation process.

13. Inquiries.

Inquiries concerning the civil calendar shall be addressed to Virginia Robinson, TCC, P.O. Box 796, Morganton, NC, telephone (828) 432-2826, fax number (828) 433-4035, e-mail address Virginia.R.Robinson@nccourts.org.

SUPERIOR COURT DIVISION

IN RE:

IN SUPERIOR COURT CIVIL ACTIONS

O R D E R

WHEREAS, the North Carolina Supreme Court, pursuant to section 7A-38.1 of the North Carolina General Statutes adopted and published rules and amendments to rules establishing a statewide system of court ordered mediated settlement conferences to facilitate the settlement of Superior Court civil actions as ordered October 1, 1995, and as amended January 26, 2006.

NOW, THEREFORE, IT IS ORDERED that the Local Rules shall remain in effect in Judicial District 25A as amended.

1.0. The rules for court ordered mediated settlement conferences as adopted and published by the North Carolina Supreme Court shall be observed in this district as amended herein.

2.0. Pursuant to Rule 2.C, when the parties do not timely select a mediator, the procedure for judicial appointment shall be to appoint the next certified mediator on the list of certified mediators, provided by the Dispute Resolution Commission through its website, who have expressed a willingness to mediate actions within Judicial District 25A, and who certify in writing annually to the Senior Resident Judge that he or she wishes to mediate in this judicial district, is familiar with the Local Mediation Rules, and will comply with them and the Supreme Court Rules. The list shall be arranged alphabetically and appointments shall be made in consecutive order, without regard to race, gender, religious affiliation, or whether the mediator is a licensed attorney. The Senior Resident Judge shall retain discretion to depart from a strict rotation when there is good cause to do so, such as the appointment of one mediator to multiple related cases, appointment of a newly certified mediator, or to withhold a mediator who has not followed Local or Supreme Court Rules from appointment.

3.0. Cases involving caveats to wills shall be ordered into the mediation process within sixty (60) days of filing, and will not be placed on a trial calendar until a mediated settlement conference is conducted or the matter has been removed from mediation by order of the court. It shall be the responsibility of the attorney for the caveator(s) to notify the Judicial Assistant of the filing of the case and the names and addresses of all parties or attorneys to whom notices should be sent.

4.0. Pursuant to Rule 5 and 7.G of the State rules, the following policy is adopted. Upon failure of the parties in a case to meet mediation deadlines, the Senior Resident Superior Court Judge will notify counsel to immediately come into compliance. Upon failure to come into compliance, a contempt citation to show cause why sanctions should not be imposed will be issued.

This the 31st day of March, 2006.
