As you can see, this calendar is shorter than normal. This is due to the situation in the Clerk's Office in Henderson. I am hoping the situation will be addressed by AOC in the near future.

The designation of "M" on a day is for the Trial Court Administrator to set any motions from the CVD cases on for hearing. Unless this day is also designated as an ACH day, this is only for those Motions in CVD cases as set by the Trial Court Administrator.

In Transylvania County, DSS court will begin to be heard on a Monday and Wednesday of the same week. Please plan to be present during the Monday term to discuss your case with the other lawyers involved in the case.

There are also more than one term of Juvenile court in each county during the month. These are set with other courts at some settings and alone at others.

Please watch for an invitation to a planning session to be held regarding our court scheduling and district rules.
