REQUEST FOR EXEMPTION
FROM MANDATORY
CHILD CUSTODY MEDIATION

Defendant

I request an exemption from Mandatory Child Custody Mediation for the following reason:

- I do not reside in this county and the driving time requires more than one hour; and it is my opinion that this inconvenience outweighs the benefit of participating in child custody mediation.
- I am a victim of domestic violence, and I am concerned about the appropriateness of participating in mediation. I have discussed this problem with the Custody Mediator and after doing so, I request that I be excused from participating in child custody mediation.
- We have recently participated in Child Custody Mediation and it was not successful and it is my opinion that no useful purpose will be served by further participation.
