<i>Name of Defendant(s)</i>	

The parties to this lawsuit have reached an agreement to settle certain matters as set forth specifically in this memorandum, and agree to be legally and mutually bound by these terms and condition. The parties hereby waive further findings of fact and conclusions of law. The terms of the settlement appear below and in any attached additional sheets.

The parties have reached an agreement in settlement of the issues as set out above and in any attachments. The parties now desire that the court adopt the terms of this settlement as a judgment and order of the court. All signers below represent to the court that the following certifications are true and accurate.

Certification by Parties Represented by Counsel

I am represented by an attorney, and I am satisfied with my attorney's services. I have read this entire document and any attachments. I have reviewed the terms of settlement with my attorney, and I understand the terms. I believe the terms to which I have consented are fair and reasonable. I also understand that once this memorandum of consent has been signed by all parties, that it is binding. I understand that this memorandum will be presented to a judge for review, and when signed by a judge will be as valid and enforceable by the contempt powers of the court as any other judgment finally resolving the issues addressed in this agreement. I agree that a formal typed transcription of this memorandum can be prepared and signed by a judge without requiring my signature or further consent. I have entered this agreement freely, voluntarily, and understandingly, and I request and agree that it will be approved and adopted by the court.

Certification by Parties Representing Themselves

I am not represented by counsel. I understand that I have an absolute right to confer with an attorney. I do not wish to confer with an attorney, and I want to represent myself in this matter. I do not feel under any compulsion to sign this agreement.
