**21 JUNE 2021 REVOCATION
OF THE 7 JUNE 2021 ORDER OF THE CHIEF JUSTICE
OF THE SUPREME COURT OF NORTH CAROLINA**

Earlier this month, I issued an order extending only those emergency directives that provide the necessary tools to effectively address the cases accumulated during the COVID-19 pandemic. Those tools allowed the Judicial Branch to continue to administer justice without delay.

Last Friday, Governor Cooper signed into law Senate Bill 255 that codified those essential tools for future use. These legislative changes render the 7 June 2021 order unnecessary. Effective immediately, I hereby rescind my 7 June 2021 order. No more Emergency Directives remain in place.

Issued this the 21st day of June, 2021.

Paul Newby
Chief Justice
Supreme Court of North Carolina
