Some districts reported no activity or did not report status. Total Caseload includes the number of cases pending at the start of the fiscal year as well as those new cases ordered to mediation / arbitration.

*Some begin pending numbers changed by local audit.

**Pilot districts transitioned to Odyssey mid-year. Statistics were generated from CaseWise through Dec 2022, and from Odyssey starting January 2023. Begin pending numbers are based on end pending numbers from end of year final SO FY21-22 report.
