OTHER POLICIES RELATING TO HUNTING, FISHING, AND BOATING OFFENSES:

1. G.S. 7A-148 provides that the Conference of Chief District Court Judges shall prepare a "uniform schedule" of waivable hunting and fishing offenses under G.S. Chapter 113 and waivable boating offenses under G.S. Chapter 75A and shall otherwise promote the "uniform administration of justice." In accordance with this statutory mandate, all judicial districts must adhere to this schedule, and individual judicial district policies deviating from this schedule are prohibited.
2. When a defendant is charged with multiple offenses arising out of the same event or transaction, only one citation should be used to the greatest extent possible given the limits of the electronic or paper citation provided by the North Carolina Administrative Office of the Courts.
3. Where more than one charge is made on a citation, the defendant shall be fined only for the offense carrying the highest fine. Only one bill of costs will be assessed.
4. When a defendant is charged on the same citation with an offense(s) waivable under this schedule and an offense(s) that is not waivable, the defendant must appear in court to answer the waivable and non-waivable charges.
5. This schedule does not apply if: (a) based on the facts of the case, replacement costs may be assessed against the defendant if he/she is determined to be guilty; or (b) a previous conviction of the conservation laws within the last three years is alleged so as to make the offense punishable under G.S. 113-135(a)(2); or (c) the defendant is charged with a violation of the boating laws set out in G.S. Chapter 75A and the defendant has been convicted of a violation of G.S. Chapter 75A within the last three years.
6. This schedule does not apply to littering charges under G.S. 14-399(c) or (c1), if the defendant is charged with a second offense under the subsection.
